until snug to secure the above parts, Proceed to thread **Finial** onto
the end of the **Stem** and hand tighten until snug.
8. Install bulbs (not included). See label located at socket area for
type and maximum allowed wattage.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.
