## IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug ( one blade is wider than the other ) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

## CARE AND MAINTENANCE

To clean wipe with a soft, dry cloth.
