Product Description:

The Aurora Round Wall Mirror is a perfect blend of simplicity and modernity that effortlessly enhances any space. Aurora hangs from a simple strap and conveys a clean, modern aesthetic. The mirror boasts a captivating ring of LED light, adjustable to your desired level of brightness with the dimmer switch, providing the perfect ambiance for any occasion. With a generous 36" round size, the Aurora creates a grand statement, becoming a focal point that elevates the entire room's allure and makes an impact above sofas and sectionals.

- Hangs from a simple leather strap and conveys a clean, contemporary aesthetic to any space.
- Captivating ring of LED light with adjustable brightness using the dimmer switch.
- Generous 36" round size creates a grand statement, enhancing any space.
- Contract grade: high quality materials, quality workmanship, built to last a lifetime & designed in Venice Beach, California.
- Smart switch compatible - effortlessly sync with Amazon Echo, Google Assistant, and Apple Home for easy & automated control.
- NOVA of California is the oldest light company in North America and has been making original contemporary designs for 100 years.
- Sustainability Statement: We are committed to minimizing the unwanted impact our business has on the environment. We care for our planet.
