Product Description:

The Starfall Infinity Wall Mirror is not only a fully functional mirror but also a beautiful work of art, and light source. With its oversized 39" size, it is the perfect fit for placing over sofas and sectionals, adding multifunctional décor to any wall. The large circle of LED bulbs surrounding the mirror creates a mesmerizing illusion of never-ending light. The functional mirrored center elegantly reflects the user, enhancing the experience with the radiant circle of light around it. Its brushed brass frame complements modern, transitional, and mid-century decors, adding a touch of sophistication and magic to any space. Additionally, the Starfall Infinity Mirror is designed with modern convenience in mind, and is Smart switch compatible, allowing the mirror to be turned on/off manually, by voice activation, or by scheduled settings.

- The Starfall Infinity Wall Mirror is a stunning combination of functionality and artistry.
- With its generous 39" dia. size, this mirror is perfectly suited for placement over sofas and sectionals.
- The large circle of bulbs surrounding the mirror creates a mesmerizing illusion of infinite light.
- The traditional mirrored center beautifully reflects the user's image, enhanced by the radiant circle of light around it.
- The mirror's brushed brass frame imparts a modern and sophisticated touch that complements various décor styles.
- Smart switch compatible - effortlessly sync with Amazon Echo, Google Assistant, and Apple Home for easy & automated control.
- Contract grade: high quality materials, quality workmanship, built to last a lifetime & designed in Venice Beach, California.
- NOVA of California is the oldest light company in North America and has been making original contemporary designs for 100 years.
- Sustainability statement: We are committed to minimizing the unwanted impact our business has on the environment. We care for our planet.
