GENERAL INFORMATION

Your new Bondi Chair is made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your Bondi Chair clean. For best results, clean with a soft, damp cloth. If you use furniture covers always make sure the Bondi Chair is clean and completely dry before covering as mold may form in dark, wet places. Remove cushions prior to covering and store them in a dry, temperature controlled place. Check the hardware on your Bondi Chair regularly to make sure it is secure.

The weight limit is 350 lb/160 kg.
