APR Supply - Oasis Kitchen & Bath Showrooms is proud to present this chrome finished bathroom accessory, by DXV. The 754990-201.002 is made from premium materials, this Bathroom Accessory offers great function and value for your home. This fixture is part of DXV's decorative Drain And Heater Collection, so make sure to check out other styles of fixtures to accessorize your room.

As American Standard Brands enters its fifteenth decade of business, it proudly launches DXV by American Standard: a flagship portfolio of luxury bath and kitchen products that celebrates the company's distinguished 140-plus-year heritage by re-imagining the most influential design movements during that time. DXV fixtures and fittings do not merely reproduce styles from each era; they are inspired by historically significant designs, reinterpreting them in light of today's aesthetic and performance demands. Each of the DXV movements includes one or two bath-fixture suites and complementary faucet collections. The portfolio also includes a collection of kitchen sinks and fittings, as well as the AT Series, a state-of-the-art smart toilet and bidet seat that perform as superbly as they look. DXV products are available exclusively through luxury showrooms.
