

CARE AND MAINTENANCE

Unplug lamps before using any cleaning solutions. Dust shades with a feather duster or with an appropriate

vacuum-brush attachment. Wipe with a soft, dry cloth and clean lamp bases with the methods appropriate to the material. Avoid the use of chemicals and household cleaners as they may damage the finish

NOTICE & IMPORTANT SAFETY INSTRUCTIONS

- * Please make sure that you have all parts indicated before you begin assembly of this item
 - * This item should be assembled on a soft surface to prevent scratching the finish during assembly
 - * To reduce the risk of fire, electrical shock or injury to persons or property, please follow the guideline below for safe use and installation
 - * The external flexible cable or cord of this luminaire cannot be replaced;
- If the cord is damaged, the luminaire shall be destroyed

**This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. this plug will fit in a polarized outlet only one way. if the plug does not fit fully in the outlet, reverse the plug, if it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. do not attempt to defeat this safety feature.
