Weatherized Sonos Five (Converted SONOS Five)

The High-Fidelity Speaker for Superior Sound

Experience vividly clear sound for music streaming, vinyl, and more.
Enjoy control with your voice, the app, and Apple Airplay 2.

The Weatherized Sonos Five compact design is perfect for any outdoor space!

A Hydrophobic Coating is used to protect the internal boards from moisture, corrosion, and damage from the outdoors elements making the Weatherized Sonos Five an excellent addition to your outdoor area, whether its out by the pool, in your outdoor kitchen, or out in the patio.
