

HANOVER®

# THE VENTURA COLLECTION

## VENTURA COLLECTION:

Hanover Outdoor invites you to lounge in complete comfort and style with the Ventura Collection. Each item in the collection features durable, reinforced steel frames beneath hand-crafted resin strapping. The plush, deep-seating foam cushions are sealed in premium outdoor olefin fabric that is quick to dry and resists stains, weathering effects and UV harm.

A variety of table options are available, including a wood-burning fire pit. Built to last year-round, the meticulous construction is finished with a single-step powder coating process that offers additional outdoor protection that lasts season after season.
