

WEATHERIZED

OUTDOOR TVS

2 Year Limited WARRANTY

Weatherized TV is not your standard outdoor, but a very complex unit that is re-built to last outdoors all year round. Every Weatherized Outdoor TV is protected by the best hydrophobic water technology on the market, it is even used by today's military applications.

Our proprietary design and coating allow any of our WEATHERIZED Outdoor TVs to handle any wet, dry or cold conditions. Our proprietary calibration system allows all our WEATHERIZED Outdoor TVs to be viewed in full daylight.

Please thoroughly read the warranty manual prior to installing your WEATHERIZED Outdoor TV

1. TV must be installed by using an outdoor TV mount that is rated for outdoor use or made of stainless steel.
2. Outlets must be rated for use Outdoors (will void warranty if not)
3. If the outlet does not have surge protection, you must add one to insure protection from power surges.
4. Do not submerge any WEATHERIZED outdoor TV in water.
5. Do not alter the WEATHERIZED outdoor TV or cut the power cord.
6. Place Weatherized outdoor TVs under a shaded area for the best picture possible.
7. Cover the unit when not in use to protect the screen from debris.
8. Connect unit with HDMI, Coax, or Aux connection.
9. Speakers can be connected by Optical to give you the best sound.

The Weatherized TV is now ready to be turned on. You now have joined in on the experience of watching a true outdoor TV with a crisp colorful picture that has great sound. You and your family can enjoy your TV without worry that your TV is outdoors.

Remember, try to mount your WEATHRIZED outdoor TV in a location that does not directly face the sun. Although the WEATHERIZED TV can handle direct sunlight, the TV may experience a dark cloud effect which indicates the sun's rays are focused on one area that can activate the pixels to shut off until the area cools down. This affect is normal and can last about 15 minutes during the hottest time of the day.

Two Year Limited Replacement Warranty

Terms and conditions set forth by WEATHRIZED TVS limited warranty:

All WEATHERZIED TVS are protected with a two (2) year limited warranty
from damage or workmanship at the time of purchase.

All warranties must be submitted via email or by contacting WEATHERIZED TVS directly
Within 30 days of purchase.

Email must include the customer name, address, phone number, date of purchase,
model of TV along with the TV serial number.

WEATHERIZED TVS are covered under the (2) year limited warranty once warranty is activated
by the purchaser within the 30-day period.

Should an issue arise with your Weatherized TV, please contact our office at the number listed
below. Instructions will be given to you at that time as to how the situation will be handled.
Many times, we can solve issues over the phone by assisting you with the issue at hand. In
some cases, the Weatherized TV will need to be returned. At that time instructions will be
given to you as how the return of the TV will take place. In most instances an RMA number is
issued to have the unit shipped back to Weatherized TVs. Please note: all contents (remote,
leg stands, user manual, Weatherized TV Manual/Warranty) received in the original packaging
MUST be returned. The TV MUST be repacked in the original TV box and re-boxed in the brown
shipping box it was received in. Any TVs received without ALL contents and original packaging
will VOID the warranty for replacement or repair.

Should unit be covered under terms and conditions for replacement, WEATHERIZED TVS will
replace the unit with equal or similar unit at not cost and WEATHERIZED will cover all shipping
costs.

TERMS OF WARRANTY

First Year - Full replacement of unit and paid shipping back to customer once inspection confirms warranty issues. (warranty must be submitted within 30 days of receiving unit. To apply)

Second Year - Customer pays 30 percent of the MSRP cost at the time of purchased. (warranty must be submitted within 30 days of receiving unit. To apply)

After Second Year - Parts and replacements.

Units can be returned to Weatherized TVs for parts replacement/repair. In most cases at a cost much less than what it would be to purchase a new TV.

If you have an issue after the second year, simply contact our office regarding your issue. You will be given instruction on how to return the TV to us for a full inspection. Parts and labor will apply (\$50.00 USD. labor plus parts).
