

PET STROLLER

Installation instructions

For Pets Only

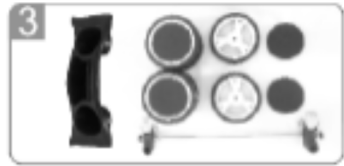

This is not a toy. Under no circumstances should this pet stroller be used by or for children.
Esto no es un juguete. Bajo ninguna circunstancia este artículo debe ser utilizado por o para niños.

Components:

1. Frame
2. Pet basket
3. Plates and wheels

Assembly:

1. Open the frame up and push the handle up until the frame is fully open, you should hear a "click".

2. Insert the front wheel into the front foot tube, as shown in the drawing.

3. To assemble the rear wheel, slide these items in this order: washer, wheel, washer and cotter pin. Once all is on, snap the wheel rim into place.

4. Insert the rear wheel into the rear foot tube as shown until secure.

Install the car basket:

1. Find the four clips on the frame and open each clip before installing the basket.
(Note: The side of the basket with the netting cloth faces forward)

2. After the basket is installed, the basket can be fixed to the frame through the hook and loop at the bottom of the basket to keep it secure.

Folding

1. Lock the brakes.
2. Close the canopy.
3. While standing behind the stroller, pull on the connecting parts on both sides of the frame and pull up, then push down on the handle.
4. Fold the frame.

WARNING

- This is not a toy. Under no circumstances should this pet stroller be used by or for children.
- Not intended to be used as a restraining device for aggressive animals.
- Do not leave your pet unattended while in the stroller.
