## 58" Dancing Santa with Gifts in Hand

I saw mommy dancing with Santa Claus! Our dancing Santa from Fraser Hill Farm will have everyone dancing and spreading holiday cheer. Standing 58 inches tall, Santa carries gifts, his list of names, and a sack filled with holiday goodies.

When motion is detected, he will move his arms and sway his body to "Jingle Bell Rock". His friendly face with open spectacles, round chubby cheeks, and a full beard will warm your heart. Place him in the foyer, near the fireplace, or next to the Christmas tree and watch as everyone starts dancing.
