

GRECIAN GARDEN BIRD BATH

FWD-488

Read assembly instructions carefully and save it for future reference.

Select a flat, level surface to place the birdbath.

No.	PART	QTY.
A	Bowl	1
B	Pedestal	1

NOTE: Imperfections from the casting process is normal; pitting on the surface of the bird bath is caused by air bubbles becoming trapped when the casting materials are poured into the mould.

INSTALLATION

1. Align Bowl (A) with Pedestal (B) and twist the bowl to lock the parts together.
2. Fill the bowl with clean water, approximately 1/2 gallon.

CHOOSING A LOCATION

Select a smooth, level surface to place the bird bath. A large stepping stone or paving stone (not included) is recommended to help ensure the bird bath remains evenly balanced.

CLEANING

Cleaning the birdbath 1-2 times per week is recommended.

 **HAND-WASH ONLY**  **DO NOT USE BLEACH**

1. Empty the old water.
2. Wash the bowl with clean water and a soft cloth.
3. Rinse the bowl thoroughly with running water.

Over time, the finish may gradually mellow in color; this is part of the natural aging process.

! SAFETY STATEMENTS & WARNINGS !

- Do not install on uneven surfaces as this could cause it to tip over.
- Do not use harsh chemicals, abrasive materials, or a pressure washer to clean this unit.
- During freezing weather, empty the birdbath and store it indoors; allowing ice to form in the bowl may cause it to crack or break.

Any modification to the product or failure to follow recommended care will void the product warranty.
