

HANOVER®

Decorative Water Fountains

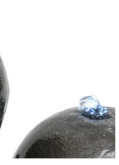

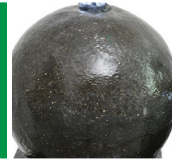

Create the ultimate Zen oasis with a decorative water fountain from Hanover. Designed for both indoor and outdoor use, place one in your sunroom, garden, courtyard, front yard, or backyard. Enjoy your morning coffee or sip your tea to the soothing sound of cascading water. LED lights provide a gentle glow, especially nice in the evening. Our tranquil fountains will be the ideal centerpiece for your beautiful home to ease your stress so you can relax.

A recirculating water pump with adjustable water flow continuously recycles water from an internal reservoir located in the back. Our durable garden fountains are constructed with weather-resistant polyresin then hand-finished for natural beauty to enhance your landscape or interior design – perfect for your solarium, porch, deck, balcony, patio, or lawn.

Features

- » Modern contemporary water fountains for indoor or outdoor use
- » Constructed with durable, weather-resistant polyresin then handfinished
- » Includes recirculating water pump with adjustable water flow
- » LED light kit pre-built into each fountain
