

Haunted Hill Farm®

Halloween decorating is at its easiest with Haunted Hill Farm! Add a tastefully creepy touch to your home this season with our Spooky Decor Collection. Our gothic-inspired floral wreath is just what you need to turn your home into the scariest house on the block.

A circle of dungeon skulls will stare at your visitors with hollow black eyes and toothy grins, giving your door an ominous, sinister vibe. This unique wreath is crafted with high-quality materials - no maintenance is required. It arrives fully assembled with a hanging loop for a scary yet stylish seasonal decoration. For bone-chilling fun, hang this eerie wreath on the front door, wall, or covered entryway.
