

## P2401US

### D-Bowl Stainless Steel Kitchen Sink

We are proud to introduce a new line of stainless steel kitchen sinks that have been made in the USA. This new collection of kitchen sinks is made from 300-series stainless steel. The surface has a brushed satin finish to help mask small scratches that occur over time and keep your sink looking beautiful for years. The overall dimensions of the P2401US are 23 3/4" x 21 1/8" x 8 1/2" and a 24" minimum cabinet size is required. This sink contains a 3 1/2" offset drain and comes with sound-dampening pads. As always, our stainless steel sinks are covered under a limited lifetime warranty for as long as you own the sink.
