

P526

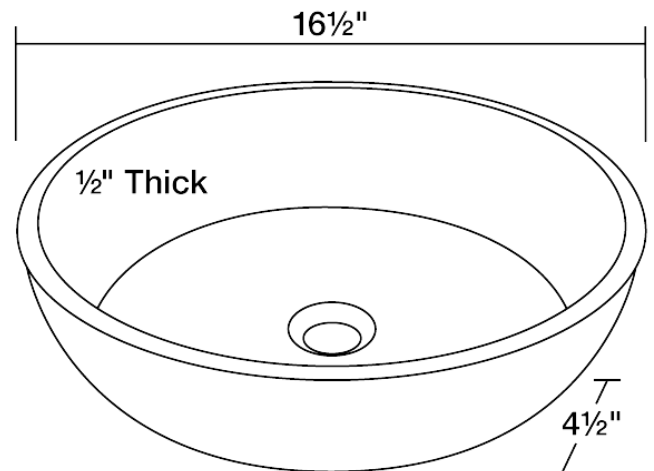

Clear Glass Vessel Bathroom Sink

The P526 clear vessel sink is manufactured using fully tempered glass. This allows for higher temperatures to come in contact with your sink without any damage. Glass is more sanitary than other materials because it is non-porous, will not absorb stains or odors and is easy to clean. This classic bowl-shaped vessel is made from clear glass that is sure to fit into any bathroom style. A matching glass waterfall faucet is available to correspond with this sink. The overall dimensions for the P526 are 16 1/2" x 16 1/2" x 4 1/2" and an 18" minimum cabinet size is required. As always, our glass sinks are covered under a limited lifetime warranty for as long as you own the sink.
